

## **New Majority Orange County 2018 General Election Voter Guide**

Dear New Majority Orange County Members,

With Election Day quickly approaching on November 6th, we would like to provide the 2018 New Majority Orange County General Election Voter Guide to assist members when casting their ballots.

Many voters will receive their absentee ballots this week, and while the Chapter has not taken official positions in all races and on all issues, this guide does provide members with endorsements and recommendations from other trusted partners.

As a reminder, our political priorities include focusing on the targeted Congressional, State Senate, and Assembly races to protect our majority in Washington and regain Republicans' 1/3rd margin in the State Legislature; most of these key races are right here in Orange County. *Please support these candidates in any way you can and encourage family, friends and colleagues to vote.*
